In support of this Affidavit, the Affiant shows unto the court the following facts:

On September 7, 2012, Chapel Hill Police officers were dispatched to 5639 Old Chapel Hill Road, Durham NC 27707 in reference to a possible dead body located in apartment 1502. When officers arrived, they were greeted by the primary tenant, Karena Lynn Rosario (Rosario), who advised that she had seen the victim, Faith Hedgepeth, and that she was unresponsive. Rosario permitted officers to enter the apartment. Officers conducted an initial protective sweep and located Hedgepeth dead in a bedroom, on a bed face up. Ms. Hedgepeth's body was hanging off the bed over a pool of blood with her black shirt pulled up over her head; she had no clothes on from the waist down. There was blood spatter on the closet and a bloody tampon was lying beside her on the bed. On the center of the bed, there was also a small white paper bag with the words:

"I'M NOT STUPID
BITCH
JEALOUS"

The statement was written directly on the bag, in what appears to be ink.

Based on preliminary investigation it is believed that the victim may be acquainted with the person who killed her. The victim maintains a profile on Facebook and uses Facebook to communicate with friends. Given that her roommate, Karena Rosario, also maintains a Facebook profile, it is likely that the victim and her roommate used Facebook as a means of communication and information contained on Rosario's page may be useful as evidence.

Based on Affiant's training and experience and the information contained herein, Affiant has probable cause to believe that the search and seizure of the evidence described herein could reveal the cause of death of the deceased and that a review of the contents of her Facebook profile and messages may be useful in determining who is responsible for her death.

Based upon the above stated facts and circumstances, the undersigned has probable cause to believe that the search and seizure of the aforementioned property is necessary for a full and complete and thorough investigation of one or more of the above stated criminal offenses and that evidence of at least one of the criminal offenses contained herein will be located in the aforementioned property. The undersigned further avers that it would be in the best interest of the administration of justice that all evidence be collected and preserved pending further action of the court.

REQUEST TO HAVE WARRANT SEALED

In support of this request, the Affiant submits that there is a preponderance of evidence to show that the release of the information contained in the court order at this time would undermine the ongoing criminal investigation, jeopardize the prosecution's right to prosecute its case relating to the criminal investigation, and jeopardize the right of the suspect to be charged in this matter from receiving a fair trial.

In further support of this request, the Affiant shows unto the court that release of the information contained herein, could also hinder the state's ability to bring the responsible parties to justice. Finally, there is evidence in this case that is yet to be collected that is essential to the resolution of this matter and if the information contained in the warrant is made public, it could jeopardize both the criminal investigation and prosecution of this case.

I, the undersigned judicial official, find that there is a preponderance of evidence to believe that the release of the information contained in this warrant would undermine the ongoing criminal investigation, jeopardize the prosecution's right to prosecute its case and/or compromise the criminal investigation, and jeopardize the right of the suspect to be charged in this matter from receiving a fair trial. I therefore, ORDER that this warrant be sealed for sixty days, unless extended for good cause shown.
