## REAL TIME BUS INFORMATION

NextBus is a service designed to help take the guesswork out of bus arrivals. It uses satellite technology to track a bus; then sends the estimated arrival time for a particular stop to you via phone, text, or web. Many high- traffic stops also have signs which display this information. To use NextBus: Provide your bus stop number or route letter and direction.

All Chapel Hill Transit bus stops are numbered and key stop numbers are listed on each schedule.

- Text 'chapel' and your stop number to 41411
- Leave a space between the word 'chapel' and your stop number when entering text. You will receive a text message back with arrival time.

A practice rack is located on East Franklin Street near the Carolina Coffee Shop bus stop or when you see a bus at a community event, ask the operator if you can test the rack.

Service levels may also be adjusted at various times throughout the year to meet service demands and/or in response to community events. The latest information on Chapel Hill
