QUESTION 22

QUESTION: What is the estimate of Park & Ride Revenues beyond FY14?

RESPONDENT: Brian Litchfield, Interim Transit Director

RESPONSE: At this point we are estimating that FY15 revenues will be similar to FY14, about \$160,000 net. We will be in a better position to provide projections beyond FY14 as we experience actual revenues and expenses associated with the program, and have data and policy effects from which to project.
