### ETHICS GUIDELINES FOR TOWN ADVISORY BOARDS AND COMMISSIONS

Yes, if appointed, I pledge to comply with the following ethics guidelines for advisory boards and commissions as adopted by the Chapel Hill Town Council. (Other Council committees and OWASA are excluded.) Members of advisory boards and commissions shall not discuss, advocate, or vote on any matter in which they have a conflict of interest or an interest which reasonably might appear to be in conflict with the concept of fairness in dealing with public business. A conflict of interest or a potential conflict occurs if a member has a separate, private, or monetary interest, either direct or indirect, in any issue or transaction under consideration. Any member who violates this provision may be subject to removal from the board or commission. If the advisory board or commission member believes he/she has a conflict of interest then that member should ask the advisory board or commission to be recused from voting. The advisory board or commission should then vote on the question on whether or not to excuse the member making the request. In cases where the individual member or the advisory board or commission establishes a conflict of interest, then the advisory board or commission member shall remove themselves from the voting area. Any advisory board or commission member may seek the counsel of the Town Attorney on questions regarding the interpretation of these ethics guidelines or other conflict of interest matters. The interpretation may include a recommendation on whether or not the advisory board or commission member should excuse himself/herself from voting. The advisory board or commission member may request the Town Attorney respond in writing.

I Agree \*

Please provide a brief statement outlining why you wish to serve on the Advisory Board(s), Commission(s), Committee(s) or Task Force(s) to which you are applying.

---

I served on the Greenways Commission for seven years, and on the Community Design Commission for one year. I am interested in continuing service to the community on either the Community Design Commission or the Parks, Greenways, and Recreation Commission. As a retired city planner, I believe my training and experience would make me a good candidate for these positions. I have a good knowledge of Town policies and ordinances. I am an advocate of sound environmental planning, as well as appropriate site design that balances development with ecological principles. I am interested in sustainable development practices, and building design which respects the Chapel Hill environment and our history, while using the best of modern design principles. I would also enjoy continuing to be an advocate for the Town's parks and greenway system.
