ETHICS GUIDELINES FOR TOWN ADVISORY BOARDS AND COMMISSIONS

Yes, if appointed, I pledge to comply with the following ethics guidelines for advisory boards and commissions as adopted by the Chapel Hill Town Council. (Other Council committees and OWASA are excluded.) Members of advisory boards and commissions shall not discuss, advocate, or vote on any matter in which they have a conflict of interest or an interest which reasonably might appear to be in conflict with the concept of fairness in dealing with public business. A conflict of interest or a potential conflict occurs if a member has a separate, private, or monetary interest, either direct or indirect, in any issue or transaction under consideration. Any member who violates this provision may be subject to removal from the board or commission. If the advisory board or commission member believes he/she has a conflict of interest then that member should ask the advisory board or commission to be recused from voting. The advisory board or commission should then vote on the question on whether or not to excuse the member making the request. In cases where the individual member or the advisory board or commission establishes a conflict of interest, then the advisory board or commission member shall remove themselves from the voting area. Any advisory board or commission member may seek the counsel of the Town Attorney on questions regarding the interpretation of these ethics guidelines or other conflict of interest matters. The interpretation may include a recommendation on whether or not the advisory board or commission member should excuse himself/herself from voting. The advisory board or commission member may request the Town Attorney respond in writing.

Members of the Council, My family moved up to Chapel Hill last year from Decatur, Georgia and fell in immediately love with the community. I believe both Chapel Hill and the greater Triangle region will continue it's track to become one of the most vibrant, engaging, and successful regions in the country. As a practicing architect, a father to 2 school-aged daughters, and a new member of this community; I look forward to witnessing and engaging in the growth and transformation of Chapel Hill. I hope that part of that engagement would be serving on the Community Design Commission for the City of Chapel Hill. Thank you for you consideration, David Gange

My family has been long time residents of the Town of Chapel Hill. My grandfather built his house on Kings Mill Road in 1958 while he was a professor at the UNC School of Pharmacy and lived there until 2007. I am also a long time resident of Chapel Hill. I am a NC licensed General Contractor and I have 13 years of experience building both Single Family and Multfamily homes in Chapel Hill as well as Orange, Durham, Chatham, and Wake Counties. I recieved my Bachelors of Engineering from Vanderbilt University. I am also a NC licensed real estate broker. I continue to own several houses in Chapel Hill as a real estate investor. I believe that all of this experience I have gained over the last 13 years can offer a unique perspective to the Planning Commission. My professional experience, understanding of the planning/zoning regulations, and perspective can be an asset to the Planning Commission. There are many issues that are important to the future development of the town such as affordable housing, responsible growth, as well as effects on the environment and infrastructure. Multiple perspectives and ideas are going to be needed to achieve the goals and needs of the citizens of Chapel Hill.

I wish to serve on the Planning Commission so that I can use the extensive knowledge and experience I have acquired while serving on other committees and commissions throughout the years. I feel my understanding of town processes and procedures would be of great use in helping the Planning Commission make the best possible decisions. Some of the committees and boards I have served on include: • Public Arts Commission • School Governance Committee • Transportation Board • CH 2020 (various subcommittees) • 15/501 South Committee (spring 2012) • Community Design Commission • Central West Committee. My life-partner and I have lived in Chapel Hill for almost 25 years and we've raised our family here. We take great pride in being Chapel Hill citizens and want to do what we can to make this town the best it can be.
