Re: 9 Cobb Terrace (PIN 9788-38-9900: Project #17-090)

I request that the parking space gravel be allowed to be "bluestone" or washed gravel as already exists on parking space. Examples of congruity are attached. These photos are from 512 North St., 504 North St., 507 North St., 2 Cobb Terrace, 11 Cobb Terrace and 7 Cobb Terrace.

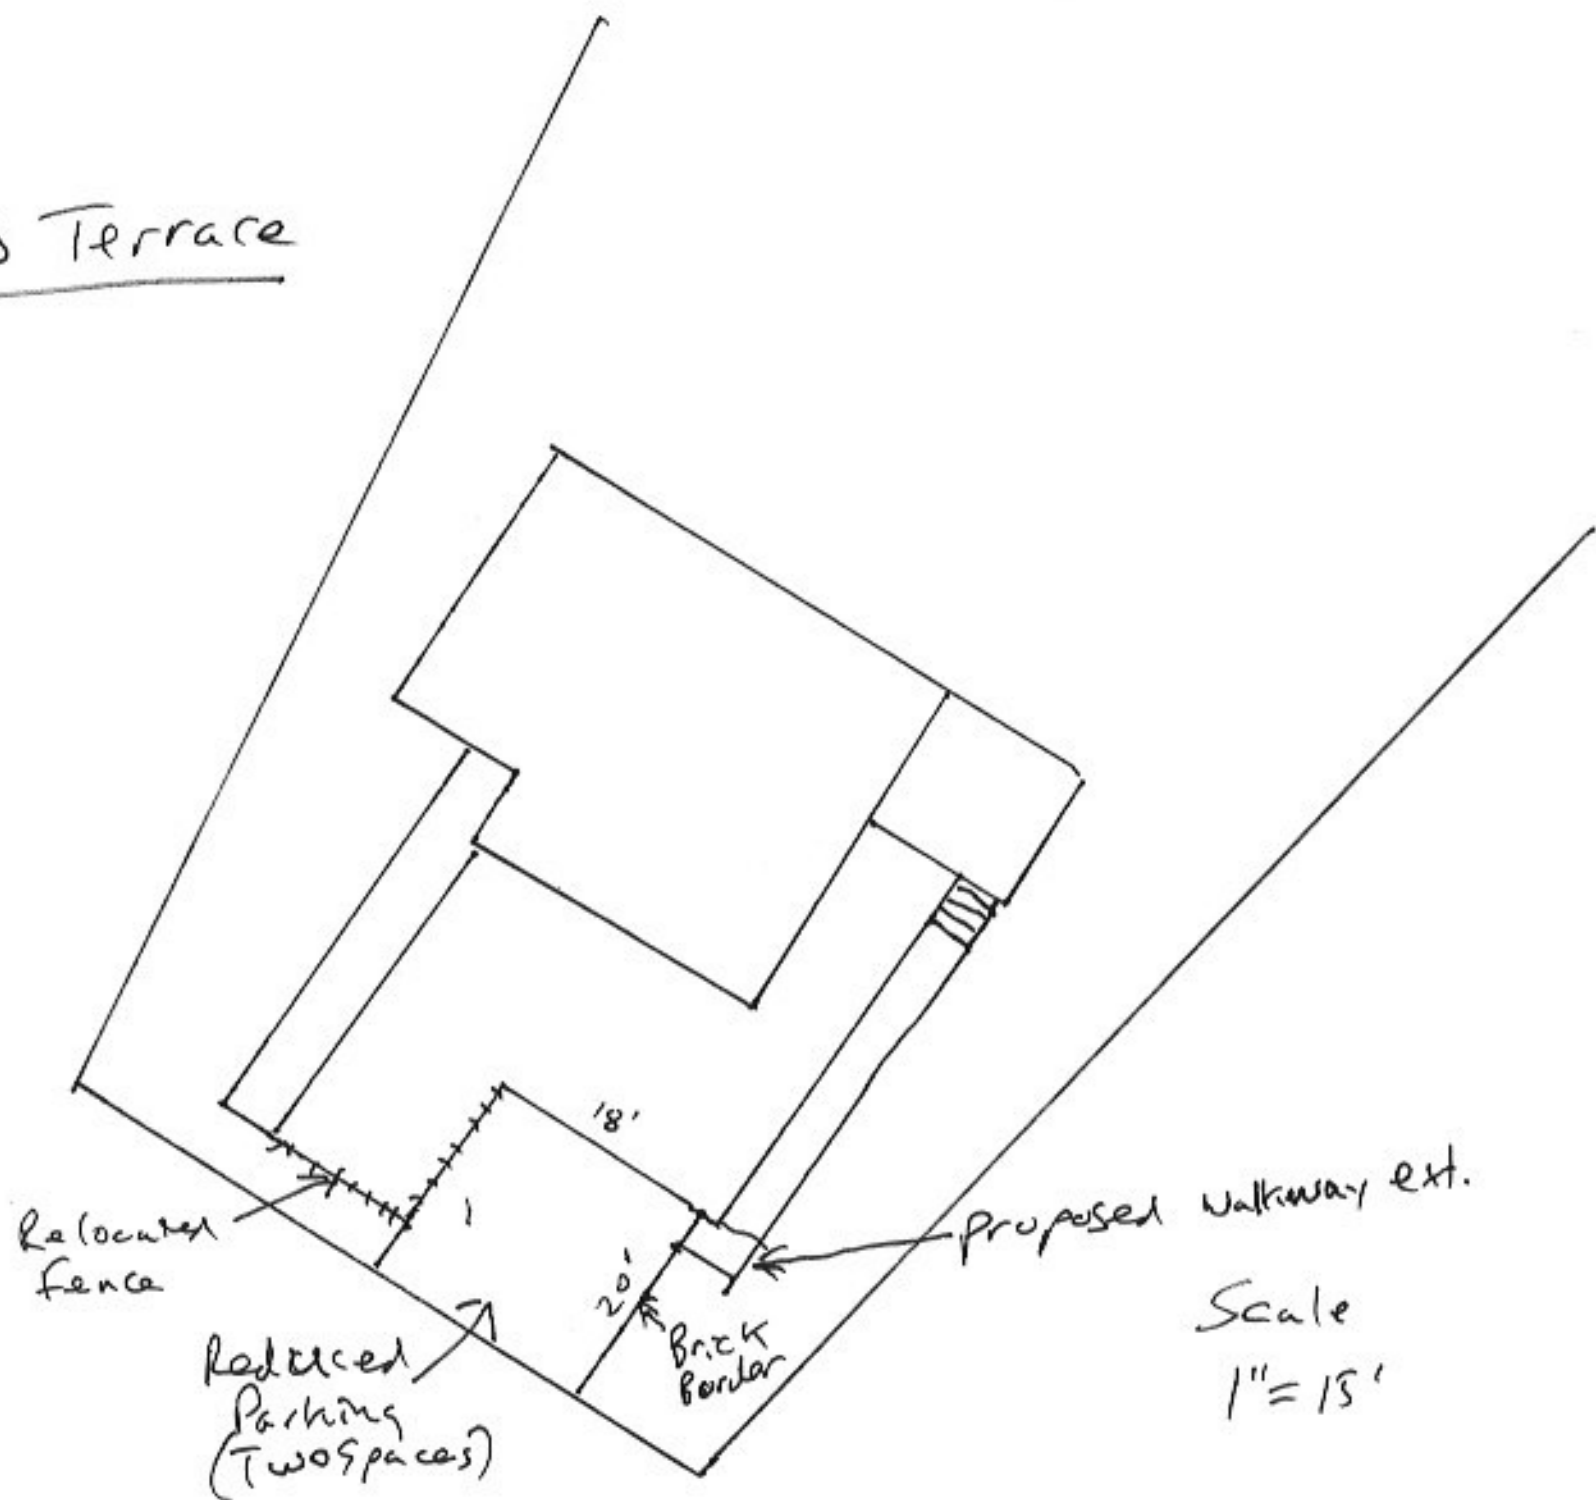

I request that the configuration of the parking spaces be as shown in the attached site plan.

I request that I be allowed to extend existing walkway to parking area. The existing walkway is light brown small river rock (pebbles) bordered by steel edging.

Sincerely,

Cam Hill
