Objectives

Objectives

- Specific products or services that are needed to attain the goal.

GOAL: CONNECTED COMMUNITY
To create a highly connected community where bicycling, walking, and transit are convenient, safe, and enjoyable options for neighborhoods, businesses, and public spaces.

Strategic Objectives

1. Improve neighborhood parking and traffic issues
2. Expand and link walking, bicycling, and shared use networks, and enhance connections to public transit
3. Foster local and regional transit options that are comfortable, affordable, and efficient for people of all ages and abilities to get around town
4. Develop a public transit model that is financially sustainable, in the near-term and long-term

Community Satisfaction

As reported in the 2015 Community Survey, the highest levels of satisfaction with connectivity and transit options were the Town's bus service, Chapel Hill Transit (72%), and the availability of greenways and walk trails (62%). Satisfaction with the Town's bus service declined from 80% in 2009, to 74% in 2013, to the current satisfaction rate of 72%. Conversely, satisfaction rate with the availability of greenways and walk trails has increased from 53% in 2009, to 62% in 2013, to the current satisfaction rate of 62%.

33% of respondents were satisfied with the management of traffic flow and congestion, a decline from recent years and 25% lower satisfaction than the national average.

Sample

1. Bicycling, Walking, and Transit Commute combined mode share
2. Community satisfaction with Overall Flow of Traffic
3. Average daily Chapel Hill Transit users
4. Community satisfaction with overall quality of public transportation services
5. Community satisfaction with the availability of parking downtown
6. Community satisfaction with ease of walking in town
