## Welcome

Chapel Hill is a community where biking is a safe and convenient everyday choice.

It's fast, healthy and good for the environment. The League of American Bicyclists named Chapel Hill a Bicycle Friendly Community. This award reflects Chapel Hill's dedication to people who walk, bicycle and use transit.

This map identifies the community's current bicycling facilities and network of greenways. Whether you are a Chapel Hill resident, employee or student looking for a healthier, cheaper or more active way of traveling and exploring the area without a car, you will find this map helpful!

Your comments and suggestions are always welcome.

# Chapel Hill Greenways

## A town within a park

The total land area of Chapel Hill is 21.3 square miles, and about 11 percent of this is dedicated to parks and open space. Since the Town Council adopted an open space plan in 1965, there are now about 1,200 acres of park, open space, and greenway easements totaling 12 miles of trails.

## Friends of Chapel Hill Parks

The Friends of Chapel Hill Parks, Recreation & Greenways, a fully registered 501(C)3 organization, supports the activities, programs, and facilities of the Chapel Hill Parks and Recreation Department.

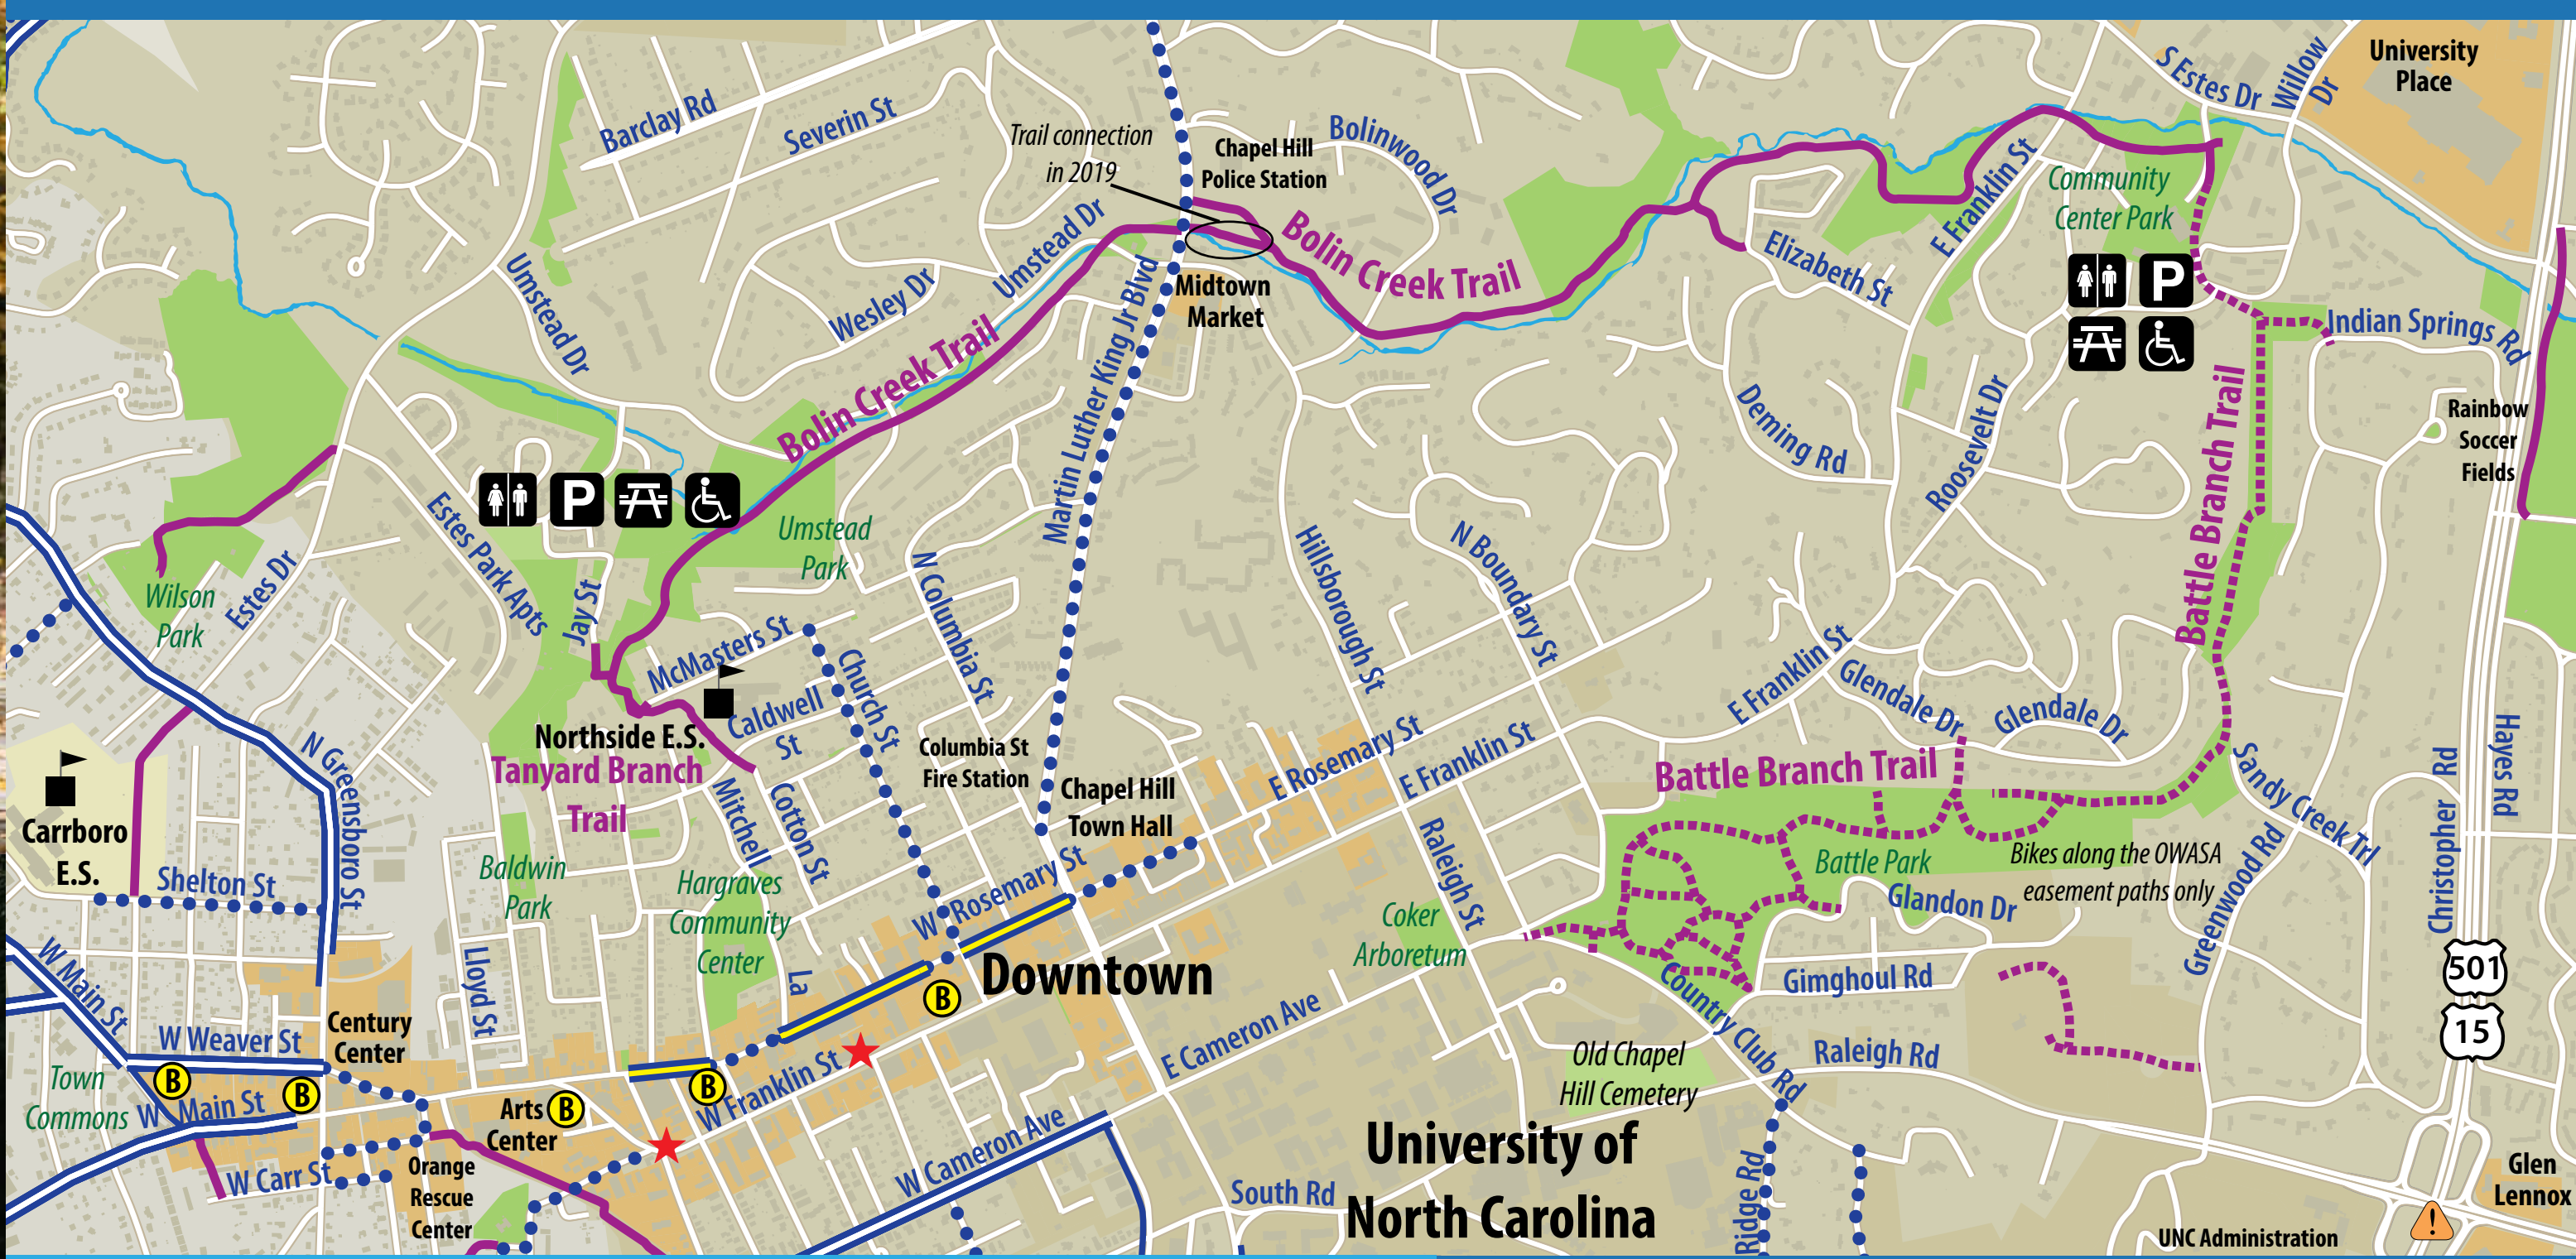

Visit [friendschparksrec.org](https://www.friendschparksrec.org) for further information and to donate.

## Greenway Regulations

- Bicycle users should travel on the right side of paved paths. Pass on the left and signal before passing.
- To accommodate other users, hikers should avoid blocking more than half of the trail at any time.
- Please avoid using bicycles on natural surface trails during wet conditions to prevent damage.
- Trails are closed from 30 minutes past sunset to 7 a.m.
- Wildlife and plants along trails are protected and should not be disturbed. Please leave flowers and plants for others to enjoy.
- Motorized vehicles (with the exception of motorized wheelchairs) are prohibited on town trails.
- Dogs are welcome, but must be on-leash. For cleaner trails and healthier creeks, pick up after your dogs. Bag waste and place in trash cans.
- Smoking and tobacco products are prohibited in the public areas of Chapel Hill.
