Discussion of FY2021-22 Human Services Recommendations	Carolyn Fanelli thanked the Board Members for completing their individual scoring rubric and submitting them to Jackie. She also thanked Thomas Chen, Intern in the Housing and Community Department for gathering the data for the completion of the scoring book. Carolyn provided an overview of the book scoring workbook. She explained that they would follow a similar approach to last year by looking at the allocations that have general alignment and confirming those, then moving to the Agencies where someone suggested \$0 and then move to the areas where there are greater differences in what was allocated. The Board briefly discussed the impact that COVID-19 may have on some agencies/programs and the Town's funding for Covid-19 Human Services Response Efforts.	Kate Henz made, and Mychal Weinert seconded a motion to approve the Human Services Funding Recommendations (attached).	The motion was adopted (6-0)
