

# CSA For All!

Farmer Foodshare's innovative, multi-farm, sliding-scale CSA just finished its very first season in 2023!

Support from the community means that neighbors of ALL income levels can access fresh, local food – AND local farmers can sell more of their goods at fair market value.

Special shout-out to TABLE, who delivered all solidarity shares to members experiencing food insecurity.

**Farmer Foodshare**  
FRESH LOCAL FOOD FOR ALL

117

Member families received fresh, local produce

68

Local Farm Businesses supported

100%

Members likely to recommend program to a friend

\$37K

Revenue returned to NC Farmers

100%

Members reporting eating more fresh fruits and vegetables

**TABLE**  
feeding local kids

# 2024 Expansion

-  Season extended 2 more months (May–Sep)
-  Membership growing by 50%
-  Revenue to farmers projected to double
-  Same high-quality, local food!

**“...I am able to feed my family with fresh food”**

**“I loved that [the box contained protein] because it meant almost everything I needed for meals could come from the CSA!”**
