Learn. Connect. Lead.

FIRE

Our VISION: A safe and resilient community where people can thrive

Our VALUES: **C**ourage, **H**onor, **F**amily, **D**edication

We are responsible for...

- **Operations:** in a 24 hour shift, respond to emergencies such as medical, fire, technical rescue, and hazardous materials incidents
- **Fire Prevention:** review plans on new construction for fire and life safety, conduct inspections in compliance with NC fire code, provide prevention education and outreach, and investigate fires for origin and cause
- **Training:** provide Fire, Rescue, and EMS certification training and continuing education for personnel, liaison with CHCCS career technical education fire academy, responsible for recruitment and hiring processes
- **Emergency Management:** coordinate all activities to respond to and recover from natural and man-made disasters and terrorism, plan and manage town-wide events, and coordinate high consequence projects within Town
- **Administration:** set policy and budget, long range business and goal planning, and oversee logistics of the department
