

Concept Plans are intended to be an opportunity for the Town Council and some Boards and Commissions, and the community to review and consider major development proposals and their potential benefits and impacts. Applicants propose a Concept Plan with the expectation of receiving feedback on their development idea.

The following are questions that the Council may ask of an applicant during the discussion of a Concept Plan. The attached application addresses the topics below. Please contact our staff if you have any questions or if we can provide additional information ([planning@townofchapelhill.org](mailto:planning@townofchapelhill.org))

1. Would this project demonstrate compliance with the Comprehensive Plan?
  - a. Compliance with:
    - Small Area Plan
    - Overlay Zone / NCD
    - Study Area:
    - Land Use Plan
2. Would the proposed project comply with the Land Use map?
3. Would the proposed project require a rezoning?
4. What is the proposed zoning district?
5. Would the proposed project require modifications to the existing regulations?
6. If there is a residential component to the project, does the applicant propose to address affordable housing?
  - Has the applicant presented its Concept Plan to the Housing Advisory Board (this is a voluntary step in the process)?
  - Has the applicant met with appropriate Town staff to discuss affordable housing policy, expectations and options?
  - Is the project for ownership or rental?
7. Are there existing conditions that impact the site design (i.e. environmental features such as RCD, slopes, erosion and sedimentation, retention of trees and tree stands, stormwater drainage patterns, significant views into and out of the site)
8. Has the applicant addressed traffic impacts? Traffic and circulation issues?
9. Has the applicant discussed the project with adjacent neighbors?
